Re: Police Officer Uniform Change

NOTICE TO THE GENERAL PUBLIC

The Lake Jackson Police Department is going to make a uniform change. Effective Sunday morning January 1st, 2017 at 6:00 o'clock a.m., uniformed personnel of the police department will change from a light blue uniform shirt, worn for the last 35 years, to a dark blue uniform shirt. The pants, patches and other accessories will remain the same. This uniform will be the 3rd generation worn by our department in its history. We want the citizens we serve to be aware of this change and know, although we may have a different look, they can expect the same professional service.

Sincerely,

Paul Kibodeaux
Assistant Chief of Police
