**Festival of Lights 2017
Booth Information**

The Festival of Lights 2017 is fast approaching! Please mark your calendars for Saturday, November 18, 2017. We will have a limited number of booth spaces this year, **due to the limited space we will not allow for profit information vendors with the Craft Booths.**

Attached, you will find a booth application and a temporary food permit for food vendors. Craft vendors need only to return the booth application. Food vendors will need to return all forms and make sure to list the exact amount of space you will need. Please note that the Festival of Lights 2017 is a (1) day event and **space is limited.**

In the event of inclement weather the festivities will be moved to Sunday, November 19, 2017. All vendors will be notified upon discussion of date change.

Booth space is reserved when application and payment is received. If you have any questions, please do not hesitate to contact the Lake Jackson Civic Center at (979) 415-2600.

Thank you,

Festival of Lights Committee 2017
