

## **RECEIVE YOUR WATER BILL BY EMAIL!!!!!!**

The City of Lake Jackson Water Department now has the ability to notify you by email when your utility bill is ready. After signing up for this service you will receive an email telling you that e-notification has been successfully set up on your account. When your account bills an email will be sent notifying you of a new bill. The email will show you the amount due and the due date. Currently we will continue to send the paper bill as well. In the future, we may give you the option to stop paper billing and just receive email notifications.

If you are interested in signing up for E-Notifications please complete the following form and return it to the water department.
