Sal Aguirre, City Engineer  
Phone: 979-415-2413

For Immediate Release  
Thursday, May 16, 2017  
Lake Jackson, Texas

## PRESS RELEASE

### **NOTICE TO THE GENERAL PUBLIC OF IMPENDING ROAD WORK 2019 CONCRETE PAVEMENT SPOT REPAIRS ON YAUPON AND WILLOW DRIVE**

ATTENTION: Residents, Police, Fire, EMS, School District, City Employees and others.

Work is scheduled to begin on Monday, May 20, 2019. Below is a list of street panel replacement locations.

- Yaupon at Live Oak Street (Northbound lanes)
- Willow Drive at Buttercup (both lanes)

The project general contractor, Tex-Con Services will mobilize in preparation for this by installing traffic channelization devices and signage for traffic directional flow.

Work will begin on Yaupon first and Willow Drive will begin Monday, May 27, 2017. Yaupon will be reduced to one Northbound-lane during the construction, and details of the Willow Drive construction will be released next week pending contractor progress and final determination of traffic impacts.

Expect the periodic traffic disruptions and restricted access through the work zone. Please observe construction zone regulations of the directional and speed limit signs being erected and being enforced by our police department.

We appreciate your patience and apologize for any inconveniences these needed improvement changes may create for you.

Sincerely,

A handwritten signature in blue ink that reads "Sal Aguirre".

Sal Aguirre  
City Engineer
