

City of Lake Jackson Parks Advisory Board Community Enhancement Program Application

Description:

The City of Lake Jackson has budgeted up to \$20,000 (total) in matching funds to be used to help fund community projects/enhancements that benefit the park facilities in Lake Jackson. These funds are available to nonprofit community organizations as an up to 50% match. The Lake Jackson Parks Advisory Board will consider requests at their monthly meetings (typically the third Tuesday of the month). For projects to be considered, this application form must be completed and submitted to the Parks & Recreation Director by the first Monday of the month in order for the request to be added to that month’s agenda. Projects will be considered until the program funds have been exhausted for the current fiscal budget year. Projects must be a benefit for the community as a whole to be considered (no power equipment, tools or other non-facility related items will be considered). The applicant must provide matching funds and projects must be completed and reimbursed by September 30, of the current year. Maximum award is \$5,000.

Examples of projects:

soccer goals, bleachers, basketball goals, picnic tables, benches, play equipment, scoreboards, picnic shelters, etc.
